## The World of Diamond Alignment

### Step into the Diamond Energy Field Online and Accelerate Soul Evolution

The great myths throughout time have always pointed to mankind's inner search for freedom and greater purpose in life. My soul has always been on this quest...seeking to be free of limitations and more consciously connected with the unlimited power of the Divine. *Diamond Alignment* was the divine answer to my soul's search for this ultimate freedom and conscious connection. Since 1997 it has been my soul's task to bring this multi-dimensional technology, transmitted to me from the higher planes, into physical form so that its activation could be accessed by individuals worldwide.

An exquisite oasis in our high-tech world, the official *Diamond Alignment* website is a purely experiential Flash-animated site that is home to the premier *Diamond Alignment Experience*... a transcendent multi-sensory energy experience that frees your body from stress and tension, clears your mind of fear and worry, and connects you to your inner wisdom and joy...in six minutes. In the *Diamond Alignment Experience* I guide you into the Diamond Energy field...the field of pure awareness that is beyond but including all polarity. Basking in this energy field allows us to experience the joy and equanimity of Oneness and a welcomed respite from all opposition. Stepping into this portal is at once ancient and futuristic. Like the ancient thongas, mandalas and sacred art forms of the East which emanate a highly charged frequency, the animated multi-sensory Diamond Experience transmits a highly charged frequency that is viscerally felt in the body. This sacred transmission activates alignment with the indestructible, brilliant Diamond Self within and its Divine blueprint for our lives.

In my 21 years of awakening and growth, *Diamond Alignment* has also been one of my strongest tools to transmute the density and toxicity that overlay our innate joy and aliveness. The high-frequency Diamond Energy turns on the light within our cells and raises the vibration of our physical, mental and emotional bodies. This higher vibration neutralizes the limiting thoughts, feelings and patterns that dim our light and transmutes the toxicity that we naturally encounter in our everyday world. Most Diamond receivers report immediate relief and consistent *Diamond Alignments* ultimately free us even from the collective thoughts and patterns which I call the *trance*. The subtle yet profound six-minute journey is a true respite from our linear world, and leaves us more awake, more aware and able to meet our challenges from a more expanded perspective...with the power of knowing we are larger than any of our circumstances.

I invite you to step into the world of *Diamond Alignment* at [www.DiamondAlignment.com](http://www.DiamondAlignment.com). (See the diamond on the back cover.) Come view the free introduction and/or treat yourself to a subscription of a three-session pass for just \$10. The use of headphones will greatly enhance your experience!

We look forward to having you join *Diamond Alignment* subscribers who have come from every continent and over 50 countries in receiving and spreading Diamond joy and equanimity across the globe. We are hearing a tremendous variety of uplifting results from the six-minute Diamond Experience, including opening of the heart, awakening of passion and purpose and the ability to handle life in a more empowered and graceful way. The positive effects of *Diamond Alignment* have been universal...transcending all differences in race, creed and culture.

As the light of each individual's *Diamond Blueprint* is turned on, it interconnects with the other Diamond blueprints of light across the world and adds to the brilliance of a vast Diamond network. It is this global Diamond matrix that brings forth the highest Diamond potential of our world, enabling us to uplift the human experience individually and collectively.

If you're not ready for the premier *Diamond Alignment Experience*... you'll enjoy our Diamond Resource websites below ... available free of charge. These rich audio-visual sites offer invaluable information and allow visitors to experience "tastes" of the *Diamond Energy Transmission* ...preparing them for the premier six-minute *Diamond Alignment Experience* which is exclusively accessed via three levels of paid subscriptions on the official *Diamond Alignment Transmission* site.

I look forward to your presence in the Diamond energy field -
