DIAMOND ALIGNMENT™

A SACRED TECHNOLOGY

JACQUELINE JOY

Creator and Founder of *Diamond Alignment*

Jacqueline Joy is a true demonstration of the spiritual and material wealth that come from *Diamond Alignment*. With passion and purpose for the last 16 years, she has used both her spiritual wisdom and all of her earthly life experience, to birth the intimate and wordless phenomenon of *Diamond Alignment*. Jacqueline Joy's life is dedicated to bringing this Sacred Technology to individuals worldwide, so that they can experience the Joy and Wealth of Being she has come to know through her own *Diamond Alignment*.

She is a spiritual warrior with a solid anchoring in the business world. Her natural gift for bringing people and situations to their highest potential has been mastered in her work with hundreds of companies as an innovative manager, teacher and trainer in the fundraising, corporate and entrepreneurial worlds, culminating in the 29-year partnership of a multi-million dollar real estate business.

Jacqueline Joy's leadership and natural ability to get "out-of-the-box" ideas accepted in the business world extended into the arena of higher consciousness after her spiritual awakening in 1987. Her birthing of *Diamond Alignment* as a Sacred Technology has accelerated the possibility for a mass shift in consciousness which is at the center of her global vision... to bring more Light and Alignment to our world.

Though her credentials for guiding and supporting others in actualizing their highest possibility include 21 years of self development trainings and healing modalities... some of her greatest practical wisdom comes from raising four dynamic children while navigating through the deep waters of her own life-changing journey of transformation.

It was this journey that eventually led to the Divine Energy Transmission of *Diamond Alignment*... the gift that enabled her to transcend the pain of her "dark night of the Soul" and ultimately create Joy, Equanimity, Clarity, Fun, Freedom and Wealth of Being in her life.

Jacqueline Joy's radiant Clarity comes from her unswerving focus and passionate commitment to her Connection and Alignment with the Divine Power Within. Her unequivocal "Yes" to this Alignment includes being fully engaged in our everyday material world. She believes the Joy and Magic of Diamond Wealth of Being lies within all of us as an ever-expanding possibility. It is her greatest Joy to activate this possibility in all those who desire to experience their Highest Diamond Potential.

DIAMOND ALIGNMENT™

A SACRED TECHNOLOGY

In all descriptions of *Diamond Alignment*, you will notice the non-traditional use of capitalization. This is intentional. Capitalized words (such as **Connection** vs. **connection**) indicate a Soul-aligned “Vertical” perspective, whereas non-capitalized words indicate a day-to-day “horizontal” perspective.

WHAT IS DIAMOND ALIGNMENT?

Diamond Alignment is a Sacred Technology offering high-speed **Connection** and **Alignment** with the Divine Power Within through a revolutionary online phenomenon: *The Diamond Alignment Experience*. This convenient yet profound experience is an exclusive multi-sensory energy transmission delivered via the Internet that clears your mind, relaxes your body and creates a sense of Inner Peace – *in only six minutes*. *Diamond Alignment* is **not** a religion, spiritual practice, dogma or self-help course. It **is** a Divine Energy Transmission that activates the Highest Potential within each of us, allowing us to maintain Vertical Soul Alignment in a state of Joy, Equanimity, Clarity, Fun, Freedom and true Wealth of Being... while fully engaging in our everyday world.

WHY IS DIAMOND ALIGNMENT CALLED A ‘SACRED TECHNOLOGY’?

Diamond Alignment is considered a Sacred Technology because it delivers a concentrated dose of high-frequency Spiritual Energy via the Internet... offering individuals worldwide a Sacred Tool to maintain **Connection** and **Alignment** with the Divine Power Within while fully engaging in our accelerated everyday world. Our fast-paced demanding lives often prevent us from finding the time to consciously connect and align with our Inner Power and Wisdom. *Diamond Alignment* offers an unprecedented service that answers this great need with no effort, special training, or background required. Like other modern technologies that help us live our lives in a more advanced way, *Diamond Alignment* helps individuals to not only survive but thrive in these exciting, yet challenging times.

WHO WILL IT HELP?

Diamond Alignment is for everyone and anyone who is seeking freedom from limitation and wants more in their lives: more Joy, more Equanimity, more Clarity, more Freedom, more Fun, more Passion, more Purpose... more on all levels of life. This *Wealth of Being* that comes from maintaining **Connection** and **Alignment** with the Divine Power Within is the gift of *Diamond Alignment*. **It does not matter what age, nationality, education, religion or belief one has...** and no special training or background is required. *Diamond Alignment* gives us all a safe and simple way to actualize our Highest Potential.

WHERE DOES DIAMOND ALIGNMENT COME FROM?

Diamond Alignment is the answer to a call for Divine Intervention made by the Founder, Jacqueline Joy, during a period of intense personal crisis in 1987. In the midst of a painful divorce and growing panic attacks despite her tremendous “worldly” success, she found herself in dire need of a tool which would enable her to maintain **Connection** and **Alignment** with the Divine Power Within while totally immersed in the fire of her daily life. She called for and received the Divine Gift that became *Diamond Alignment*. She used and refined this Sacred Technology over the next several years to transform her life of pain and turmoil into one of Joy, Equanimity, Freedom and

Wealth of Being. After experiencing the power of *Diamond Alignment* in her own life, Jacqueline Joy was Divinely guided to spend the next 10 years of her life meticulously birthing this intimate and wordless Divine Energy Transmission into a tool that could be used by individuals worldwide, aligning and connecting all with the Divine Power Within, no matter what is going on around them. A more in-depth account of the birth of *Diamond Alignment* will be available in Jacqueline Joy's book, *In Search of Alignment*, coming soon.
